## Skymax Aviation International, Inc.

The 16 passenger, Part-135 compliant interior features a forward cabin with four single executive chairs, a mid cabin with a 4-place conference group adjacent to 2 single executive chairs, and the aft cabin with a 4-place berthing divan and 2 single executive chairs. The bulkhead and pocket door provide privacy to the aft cabin. The aft lavatory includes a generous storage closet and access to the baggage compartment.

19" monitors installed on the forward, mid and aft bulkheads, and individual 11.4" monitors at single seats provide entertainment viewing for the Airshow 410, DVD/CD players and aux video/audio interface (i.e. iPod). Audio is available via the main cabin speakers or wireless personal headsets. AirCell 3500 Iridium Sat phone handsets are located in the cockpit, forward and aft cabins. The full service, forward galley includes an espresso machine and a drip-coffee maker, a warming and microwave oven, refrigerator and generous storage for serviceware, catering and consumable items.

The cabinetry, bulkheads, ledges and tables are finished in high-gloss, quarter figured, Sapele wood veneer adorned with Satin-finish Nickel plated hardware. The galley and lavatory countertops are Corian. The leather single cabin seats, fabric divan and custom wool carpet are in elegant complimenting tones of sand, beige, cream and tan.

Exterior paint in overall Matterhorn White with Dark Blue and Antique Silver stripes along fuselage to tail.
